

Participation in the Life of the Community

I commit to my brothers and sisters at St. Anselm's Church that I will fully participate in the life of the community, worshiping regularly, getting to know others, greeting each other and caring for each other. I understand that I have a special responsibility to reach out to others and invite them to join this community. I will make a real effort to make St. Anselm's a special community of faith that welcomes all and carries out the Church's mission in this corner of God's vineyard.
